

2015 CoCC Singles

As Matt Phillips 31st shot of the 2015 Zone 10 Champion of Club Champion Singles final was declared, so was Merrylands Bowling Club's title as Zone 10 Club of the year, having now claimed victory in all six open Zone 10 Championships in 2015. This is the first time since Zone 10 was formed in 1996 that this feat has been achieved and is an homage to the work that has taken place at Merrylands over the previous 5 to 6 years.

What might be forgotten in the wash-up of Merrylands success is just how close Paul McCarthy from Denistone Sports, a mere 24 months in the game, came to ruining their party, leading Matt for the majority of the Final. At 24 -17 in front it looked as though Paul was about to pull off the upset of the year, but Matt was not to be denied and buoyed on by support of family and friends and perhaps the fear of disappointing the Merrylands faithful, stormed home scoring 14 straight shots to claim an historic 31-24 win.

Matt now heads off to [Port Macquarie BC](#) on Wednesday 18th November 2015, as he represents Zone 10 in the [State Finals](#). Good luck Mathew.

In a weekend of remarkable achievements and outstanding efforts the work of one William Sutcliffe, President of Zone 10 and Denistone Sports stalwart, cannot be overlooked. Bill, at the very tender age of 83 years, almost single handed ran the Finals acting as; Event Coordinator, Controlling Body, Official score updater, Zone Executive Representative, Barman, Master of Ceremonies at the presentation and general liaison for players, spectators, and volunteers. On top of all this Bill, a self-proclaimed technology illiterate, was given a 10 minute crash course in using Excel Online for score updating and armed only with a few scribbled notes on a piece of paper, was able to master this task almost immediately. To Bill and all the Denistone volunteers, Zone 10 doth tip their hat to you....Well Done!!!
